

THE MISSION

We are a 501(c)(3) Indiana non-profit corporation organized in 1992 to encourage support of and funding for worthwhile charitable, scientific, and educational projects benefiting the horse and horse-related activities in Indiana by serving the needs of both donors and recipients.

Programs supported by the Foundation include educational scholarships, horse owner workshops, equine welfare education, rescue and neglect reporting, emergency planning, trails, land use and zoning activities, and second careers for horses. Funds for these efforts are awarded through various programs. A board of directors that is separate from the Indiana Horse Council board manages the funds and awards.
